 Do I have nothing good left to say

 Do I need whiskey to start fueling my complaints

 People love to drink their troubles away

 Sometimes I feel that Iâ€™d be better off that way

 I wouldnâ€™t lie awake until the morning light

 My nerves will be the death of me I know
Em **G**
 I know
C/G **Gm**
 I know

 So hereâ€™s to living life miserable

 Maybe drinking wine would validate my sorrow

 Finally I could hope for a better day

 No longer holding on to all the things that cloud my mind

 But then again Iâ€™ll probably always feel this way
