

**Faithless**  
**City and Colour**

This is my first tab.

Standard Tuning. No Capo.

**G**

Please believe in what I say

**D**

Cause Iâ€™m running out of ways to convey

**Em**

This lack of faith in myself

**C**

That s becoming my own personal hell

**C**

Vicious cold now settles in

**Em**

My bones feel like their breaking through my skin

**D**

Well god damn you you re feeding on my loneliness

**G**

What an awful way to live, what a way to live

..and it goes like this throughout the rest of the song. Leave corrections in the comments.

Thanks.
