Faithless City and Colour

This is my first tab.

Standard Tuning. No Capo.

G

Please believe in what I say D Cause I'm running out of ways to convey Em This lack of faith in myself C That s becoming my own personal hell C

Vicious cold now settles in **Em** My bones feel like their breaking through my skin **D** Well god damn you you re feeding on my loneliness **G** What an awful way to live, what a way to live

..and it goes like this throughout the rest of the song. Leave corrections in the comments. Thanks.
