Verse:

Am **G** **F#m**
When she sleeps, there is a fever dream, yeah

Am **G** **F#m**
It brings a night terror to harm this fragile bird

Am **G** **F#m**
She speaks in tongues, her words they come undone, yeah

Am **G** **F#m**
And with a wayward mind she struggles through the night

Chorus:

G **Am** **F**
All... That I can do...

G **Am** **F**
Is hope... She makes it through...

Thats it. Solo is the same as the verse chords, song ends on Am
