City and Colour

Chords: **Fm** or **Fm7**: x75000 or x75700
Fm9/D: x54000 or x54050
C#maj7 or **C#add9**: x32000 or x32030
Fm9/D*: x54030
C#: x32010
G#: 320033

Tabbed by rubyrod7 for Ultimate Guitar

Note: Thanks to youtube user madeindar for the chords. This isn't meant to match what

Dallas plays on the record, but I found these chords are good to use when you just want

to play the song in standard tuning. The switch from Em to Em9/D to Cmaj7 is pretty quick so

look out for that. Also, when playing the C, if you lift off your first finger after the first measure it sounds a bit better.

(Verse 1)

Fm **Fm9/D C#maj7**

Your words are like knives

Fm **Fm9/D C#maj7**

They peel my skin and pierce my soul

Fm **C#maj7**

Your body will burn tonight

Fm **Fm9/D C#maj7**

Though your heart may still remain cold

(Chorus)

Fm9/D* **C#**

And I will blame myself

Fm9/D* **C#**

And I will blame myself

Fm9/D* **C#**

For holding onto what I hoped would keep you by my side.

Fm9/D* **C#**

I will blame myself

(Verse 2)

Fm **Fm9/D C#maj7**

The sheets are stained with

Fm **Fm9/D C#maj7**

Memories of your soft kiss

Fm **Fm9/D C#maj7**

Now this is all I have

Fm **Fm9/D C#maj7**

Paper and pen to remember you with

(Chorus)

Fm9/D* **C#**

And I will blame myself

Fm9/D* **C#**

And I will blame myself

Fm9/D* **C#**

For holding onto what i hoped would keep you by my side.

Fm9/D* **C#**

I will blame myself

(Outro)

G# **C#**

Can I have you?

G# **C#**

Can I have you?

G# **C#**

Can I have you?

G# **C#** **Fm9/D***

Can i have you?
