Note: Thanks to youtube user madeindar for the chords. This isn't meant to match what

Dallas plays on the record, but I found these chords are good to use when you just want

to play the song in standard tuning. The switch from Em to Em9/D to Cmaj7 is pretty quick so

look out for that. Also, when playing the C, if you lift off your first finger after the

first measure it sounds a bit better.

(Verse 1)

**Dm** **Dm9/D Bbmaj7**

Your words are like knives

**Dm** **Dm9/D Bbmaj7**

They peel my skin and pierce my soul

**Dm** **Bbmaj7**

Your body will burn tonight

**Dm** **Dm9/D Bbmaj7**

Though your heart may still remain cold

(Chorus)

**Dm9/D\*** **Bb**

And I will blame myself

**Dm9/D\*** **Bb**

And I will blame myself

**Dm9/D\*** **Bb**

For holding onto what I hoped would keep you by my side.

**Dm9/D\*** **Bb**

I will blame myself

(Verse 2)
