Intro
G Em 2x

G Bm
You re the Northern Wind
C Em
Sending shivers down my spine
C D
You re like fallen leaves
G
In an autumn night

You re the lullaby
That s singing me to sleep
You are the other half
You re like a missing piece

Chorus:
Em G
Oh my love 3x
C
you don t know what you do to me

G Em

You are all four seasons
Rolled into one
You re like the cold December snow
In the warm July sun

I m the jet black sky
That s just before the rain
Like the mighty current

Pullin you under the waves

Chorus: Oh my love...

Bridge just G and Em

I m the darkest hour
Just before the dawn
And I m slowly sinking
Into the slough of despond

Like an old guitar
Worn out and left behind
I have stories left to tell
They re of the healing kind

Chorus (variation at the end):

Em G

Oh my love 3x

C

D

If I could just Find you tonight

If I could just find you tonight

G

Oh my love

G and Em till the end
