[Verse II:]

I don t know what drugs to take
To successfully alter the state
That my mind has been in as of late
Cause something is eating away at my brain
There s an elephant in the back of the room
And it s standing in plain view
Everyone can see that it looks just like me

I m roaming through the hills all alone
I m trying to find my direction home
A question of space a matter of time
I follow the stars until the first light

Hold C for a while

[Bridge]

I will not call this road home
But it is all I ve known
I will not call this road home
But it is all I ve known

[Chorus]

I m roaming through the hills all alone
I m trying to find my direction home
A question of space a matter of time
I follow the stars until the first light
