[Verse]

**Em**  
I awoke  
**C G**  
Only to find my lungs empty  
**Em**  
And through the night  
**C G**  
So it seems I m not breathing  
**Em C G**  
And now my dreams are nothing like they were meant to be  
**Em C G**  
And I m breaking down, I think I m breaking down

**Em**  
And I m afraid  
**C G**  
To sleep because of what haunts me  
**Em**  
Such as living with the uncertainty  
**C G**  
That I ll never find the words to say  
**Em C G**  
Which would completely explain  
**Em C G**  
Just how I m breaking down

[Chorus]

**D Em C**  
Someone come and, someone come and save my life  
**D Em C**  
Maybe I ll sleep when I am dead  
**D Em C**  
But now it s like the night is taking sides  
**D Em C**  
With all the worries that occupy the back of my mind  
**D Em C**  
Could it be this misery will suffice?

[Verse]
