[Verse 2]

There s no sympathy
For we don t know the cure
Cause what you ve got
Well it runs too deep
But you ve lived and breathed
More than any man I know
But you re not done
Oh, at least I hope

Em G Dsus Asus C
Oh how you have lost your way,
Em G Dsus Asus C
Oh how you have lost your way
Em G Dsus Asus C
In this life we have made together
Em G Dsus Asus C
Oh how you have lost your way,
Em G Dsus Asus C
Oh how you have lost your way
Em G Dsus Asus C
Oh how you have lost your way,

The End.
