

**The Grace
City and Colour**

The Grace by Dallas Green

Tabbed By Tom Vachon Email: antagonist@hotmail.com

I wasn't satisfied by the tabs available so this is my contribution. Pretty simple

to play. Enjoy.

Tuning: Standard. Capo on 2nd. Not necessary but it sounds better.

In better days I've been known to listen

G Bsus2
I go to waste,

Em
all my time is missing

G Bsus2 Em
I'm mapping out my ending,

it's never gonna happen now

G Bsus2 Em
These things are condescending

with everybody backing down

G Bsus2 Em
You pray to stars that can help you get by

G Bsus2 Em
And all at once you forget to try

G Bsus2 Em
I'd go there if you let me,

they're never gonna find me now

G Bsus2 Em
My life is always empty

and in and out of doubt

D **Em** **D**
You re not coming back for me, these things they will never be
Em **D** **Em**
I m so used to being wrong, so put me where I belong....ohhh

G **Bsus2**
I ll get back to you,
G
God knows I try,
Bsus2
but I still lose
G **Bsus2**
And I get back to you,
G
these days run by,
Bsus2
but I still lose

G Bsus2 Em G Bsus2 Em

G **Bsus2** **Em**
Angels say they can make you suffer
G **Bsus2** **Em**
They give and take like a vicious lover

G **Bsus2** **Em**
When all this loses meaning,

You ll never want it back somehow

G **Bsus2** **Em**
Awake but still I m dreaming

And never waking up

D **Em** **D**
You re not coming back for me, these things they will never be
Em **D** **Em**
I m so used to being wrong, so put me where I belong....ohhh

G **Bsus2**
I ll get back to you,
G
God knows I try,
Bsus2
but I still lose
G **Bsus2**
And I get back to you,
G
these days run by,

Bsus2

but I still lose....lose
