

**What Makes A Man
City and Colour**

You can play this song in standard or a half a step down if you want a darker sound.

Intro:
(**F7, G7, Am**)

Verse 1:

F7 **G7**
I can hear my train a comin
Am
Its a lonesome and distant cry
F7 **G7**
I can hear my train a comin
Am
Now I m running for my life
F7 **G7** **Am**
What makes a man walk away from his mind?
F7 **G7**
I think I know
Am
I think I might know

Verse 2:

F7 **G7**
I can feel the wind blowing
Am
Sending shivers down my spine
F7 **G7**
I can feel the wind blowing
Am
Shakes the trees and the power lines
F7 **G7** **Am**
What makes a man spend his whole life in disguise?
F7 **G7**
I think I know
Am
I think I might know

Chorus:

F7 **G7**
What makes a man? (I think I know)
F7 **G7**
What makes a man? (I think I know)
F7 **G7**
What makes a man?
Am

Oh oh oh

Repeat chords

Verse 3:

I can see the sun setting
Its casting shadows on the sea
I can see the sun setting
Its getting colder starting to freeze

What makes a man want to break a heart with ease
I think I know
I think I might know

Chorus:

What makes a man? (I think I know)
What makes a man? (I think I know)
What makes a man?

Verse 4:

I can hear my train a comin
Looks like time is on my side
I can hear my train a comin
I m still running for my life

What makes a man pray when he s about to die?
I think I know
I think I might know

Chorus: (x2)

What makes a man? (I think I might know)
What makes a man? (I think I might know)
What makes a man?

Oh oh oh

End on Am
