| D | _ | _ | 0 | 2 | 3 | 2 |

[Intro] **G**

[Verse 1]

G G/F# Em D C D

You just might be closer than you think you are
G G/F# Em D C D

I know you think you re nothing more than just a smile
G G/F# Em D C D

From the start they ve always told you that you re wrong
G G/F# Em D C D

From the start all through the days I see you proving them wrong

[Chorus]

G G/F# Em D
You have come so far

C

I wish that you could see how much you mean to me

G G/F# Em D

Don t leave me in the dark

C D

You re my shining star you shine brighter than you think you are

G G/F# Em D C D

[Verse 2]

I always run and hide it s all I know it s how my world goes around

```
[Pre-Chorus]
(*Single Strum)
Em* G* D* C
[Chorus]
         G/F#
You have come so far
I wish that you could see how much you mean to me
                G/F#
                        \mathbf{E}\mathbf{m}
                             D
Don t leave me in the dark
                                   D
You re my shining star you shine brighter than you think you are
    G/F#
           \mathbf{E}\mathbf{m}
                 D
                     C
                         D
G
[Bridge/Bass Solo]
Em G D (x2)
[Chorus] (x2)
         G/F#
                  Em
You have come so far
I wish that you could see how much you mean to me
                G/F#
                        Em
Don t leave me in the dark
                                   D
You re my shining star you shine brighter than you think you are
    G/F#
                 D C D (x2)
           Em
End on {\bf G}
