## Shining Star City of Lions

Shining Star by City Of Lions Amazing song by an amazing band Capo 5 Standard Tuning

chords used:

	Ε	A	D	G	В	Ε
G	3	2	0	0	3	3
G/F#	2	_	0	0	3	3
Em	0	2	2	0	3	3
С	-	3	2	0	3	3
D	_	_	0	2	3	2

[Intro] **F#** 

[Verse 1]

F# F#/F# Ebm C#

You just might be closer than you think you are

F# F#/F# Ebm C#

I know you think you re nothing more than just a smile

F# F#/F# Ebm C#

From the start they we always told you that you re wrong

F# F#/F# Ebm C#

C#

C#

C#

From the start all through the days I see you proving them wrong

[Chorus]

F# F#/F# Ebm C#

You have come so far

B C

I wish that you could see how much you mean to me

F# F#/F# Ebm C#

Don t leave me in the dark

B C#

You re my shining star you shine brighter than you think you are

F# F#/F# Ebm C# B C#

[Verse 2]

F# F#/F# Ebm C# B C#
I got my walls up high don t think you can tear them down
F# F#/F# Ebm C# B C#

I always run and hide it s all I know it s how my world goes around

```
[Pre-Chorus]
(*Single Strum)
Ebm* F#* C#* B
[Chorus]
F#
          F#/F#
                    Ebm
                          C#
You have come so far
I wish that you could see how much you mean to me
                F#/F#
                         Ebm
                               C#
Don t leave me in the dark
                                  C#
You re my shining star you shine brighter than you think you are
                   C#
F#
     F#/F#
             Ebm
                        В
                            C#
[Bridge/Bass Solo]
Ebm F# C# (x2)
[Chorus] (x2)
F#
          F#/F#
                    Ebm
                          C#
You have come so far
                                         C#
I wish that you could see how much you mean to me
                F#/F#
                         Ebm
                                C#
Don t leave me in the dark
                                  C#
You re my shining star you shine brighter than you think you are
F#
     F#/F#
             Ebm
                   C#
                        В
                            C# (x2)
End on F#
