

Sleep With Me City Sleeps

(Capo: 2nd Fret!)

[Intro]

Am, G, C, Dm, Am, G

[Verse]

C **G**
Your heart is tired of feeling
Am **Em**
Your hand is letting go of mine
Dm **G** **C**
The night has fallen and it s stealing
Dm **Am** **G** **C**
The last of our little life this time

[Bridge 1]

Em G
In the arms of eternity
Em
Twilight finds you in my arms
G
The morning finds you gone

[Chorus]

C **G**
 We gotta dream forever
Am **Em**
 We have to pretend we re still in love
Dm **G** **C**
 And I wouldn t dare try to wake you
Dm **Am** **G** **C**
 Sleep with me a dream in love

[Bridge 1]

Em G
In the arms of eternity
Em
Twilight finds you in my arms
G
The morning finds you gone
Em G
In the arms of eternity
Em
Twilight finds you in my arms
G
The morning finds you gone

[Chorus]

C G
We gotta dream forever
Am Em
We have to pretend we re still in love
Dm G C
And I wouldn t dare try to wake you
Dm Am G C
Sleep with me a dream in love

[Bridge 2]

Em Am
When newborn rays of sun
G
Dare to shine through this day
Em Am
Cold virgin air
G
Is just all that remains
Em D C G
In the cold
Em D G
Let darkness fall

[Chorus]

C G
We gotta dream forever
Am Em
We have to pretend we re still in love
Dm G C
And I wouldn t dare try to wake you
Dm Am G C
Sleep with me a dream in love
Dm Am G C
Sleep with me a dream in love
Dm Am G C
Sleep with me a dream in love
