Sleep With Me
City Sleeps
(Capo: 2nd Fret!)
[Intro]
Am, G, C, Dm, Am, G
[Verse]
C
Your heart is tired of feeling
Your hand is letting go of mine
The night has fallen and it s stealing
                G
 Dm Am
The last of our little life this time
[Bridge 1]
Em
In the arms of eternity
Twilight finds you in my arms
The morning finds you gone
[Chorus]
We gotta dream forever
Am
We have to pretend we re still in love
            G
                   C
And I wouldn t dare try to wake you
Dm
         Am
              G
Sleep with me a dream in love
[Bridge 1]
In the arms of eternity
      Em
Twilight finds you in my arms
        G
The morning finds you gone
In the arms of eternity
Twilight finds you in my arms
```

The morning finds you gone

```
[Chorus]
     C
We gotta dream forever
                          Em
We have to pretend we re still in love
      G
And I wouldn t dare try to wake you
Dm Am G C
Sleep with me a dream in love
[Bridge 2]
 Em
               Am
When newborn rays of sun
   G
Dare to shine through this day
Em Am
Cold virgin air
 G
Is just all that remains
Em D C G
In the cold
  Em D G
Let darkness fall
[Chorus]
We gotta dream forever
We have to pretend we re still in love
 Dm G C
And I wouldn t dare try to wake you
Dm Am G C
Sleep with me a dream in love
Dm Am G C
Sleep with me a dream in love
     Am G C
Sleep with me a dream in love
