Next To Me by Civil Twilight
Tabbed by Xyliszt

Awesome song by an awesome band.

***Easy song to play

Half-step Tuning

VERSE 1:

G **C** **G-D**
You are my only escape
G **C** **G-D**
You are the reason that I wait
G **C** **G-D**
On the corner of this empty street
G **C** **G-D**
Oh I just can t wait to meet
G **C** **G-D**
There s so much a man can do
 G **C** **G-D**
And there s so much a man can say
 G **C** **G-D**
See I have done so many things wrong
 G **C** **G-D**
That you should ve thrown me away

CHORUS:

C
I ve got this second chance
D
I m gonna take it
C
I ve got this song and dance

D
I m gonna take it
C
I ve got all that I need
D
And I can taste it

C
I ve got you next to me
D
And I don t want to waste it

Verse 2 (Same pattern with Verse 1)

You are my only embrace
You are the light that lights my face
And any fool would do the same
To follow in your trace
See people come and people go
And I know I should've been replaced
Repeat Chorus

BRIDGE:

C **D**
It's beautiful the way you love
 C **D**
The way you take me back
C **D**
Here she comes around the bend
 C **D**
She's coming to take me back

Repeat Chorus

OUTRO:

G **C** **G-D**
You are my only escape
 G **C**
You are the reason that I wait...
