D-Lord please forgive me

A-Here I am on my knees

Em-I dont know what you did Friday

G-But I hope you didn t see me

D-And I hate pointing fingers

A-But I think Cupids at it

Em-again-A

G-Cause there I was in the Backseat

A-My heart and head wrapped around

D- him-A-Em-G

**D-A-Em-G-A-D-A-Em-G-A-Em-G-Em-A-G-A**

I didnt know that blue eyes

Could look so sweet

I didnt realize your lips could talk  
without saying a thing

And that angel on my shoulder

Must be taking a vacation

Cause shes gone with the wind

And thats when the devil said

LET THERE BE SIN

D-It started out real innocent

A-We were hanging by the lake

Em-then he looked at his watch and said

G-Girl its getting late, let me take you home

D-I said NO, those rules are made to break

A-Then there I was in the backseat

Em-Crossing every line that Id D-made-A-Em-G

**D-A-Em-G-A-D-A-Em-G-A-Em-G-Em-A-G-A**

I didnt know that blue eyes

Could look so sweet

I didnt realize your lips could talk  
without saying a thing

And that angel on my shoulder

Must be taking a vacation

Cause shes gone with the wind

And thats when the devil said

LET THERE BE SIN

I dont know how late it was

we must have been out all night

Until a voice inside me said

GIRL LET THERE BE LIGHT

**D-A-Em-G-A-D-A-Em-G-A-Em-G-Em-A-G-A**

I didnt know that blue eyes

Could look so sweet

I didnt realize your lips could talk  
without saying a thing

And that angel on my shoulder

Must be taking a vacation

Cause shes gone with the wind

And thats when the devil said

LET THERE BE SIN
