

Dont Hold Your Breath

CKY

Not sure about this, sounds good to me though. Corrections are welcome.

[Intro]

Am Dm G C
Am Dm G C

Am Dm
I create to destroy at hand
G C
This path i made in the sand
Am Dm
And I m off to the deepest depths
G C
To forfeit my place on this land
Am Dm
The tide pulls you into me
G C
As one I drift in the sea
Am Dm
The feeling is free
G C
Yet you ll find yourself drifting with me

C Am
Don t hold your breath for long
C Am
If the undertows getting too strong
Dm G
There s no reason for you to come along

Am Dm
The horizon is just ahead
G C
The end of the dry lives we ve led
Am Dm
You know what I think of them
G C
You sutured my wounds when I bled
Am Dm
So whats to become of us
G C
The answer has yet to be seen
Am Dm
As fate puts us side by side

G **C**
You ll find yourself drifting with me

C **Am**
Don t hold your breath for long
C **Am**
If the undertows getting too strong
Dm **G**
There s no reason for you to come along

C **Am**
Don t hold your breath for long
C **Am**
If the undertows getting too strong
Dm **G**
There s no reason for you to come along

C **Am**
Hold your breath for long
C **Am**
If the undertows getting too strong
Dm **G**
There s no reason for you to come along
Dm **G**
There s no reason for you to come along
Dm **G**
There s no reason for you to come along

Am
