In A Lifetime

Intro: **Am** **Em G Am**

Verse:

Am

hard to tell

or recognise a sign

F **G** **Em**
to see me through

Am
a warning sign

Dm **Gm**
first the thunder

Am **Bbmaj7 (Am)** **Dm**
satisfied, if the past it will not lie

(then the storm) (torn asunder)

Gm **Am F Am**
the future you and I get blown away

(in the storm)

Am
in a lifetime in a lifetime

Am
and as the rain it falls

begin again, (heavy in my heart)

F **G**
as the storm breaks through

(believe the light in you)

Em **Am**
so the light shines in you

Dm **Gm** **Am** **Bbmaj7 (Am)**
without color, faded and worn

Dm Gm Am Bbmaj7
torn asunder in the storm

G Am G Em F G (repeat)

unless the sound has faded from your soul
unless it disappears
first the thunder
selfish storm
then the storm
hold on the inside
torn asunder
one life
in the storm
in a lifetime
in a lifetime
