[Verse 1]
I want a library full of our stories
A ship to keep our memories afloat
I wanna hit rewind
Play back a hundred times
The moment when our hearts aligned
|Verse| G D F C
Lala lala la la
Lala lala lala la (x2)
[Pre-Chorus]
Forget the air
I ll breathe you instead

Fill up my lungs
Forget to exhale
Exhaaaaaale
[Chorus]

I ll be down
     F
You be my offbeat
Let s make rh-rh-rhythm
      Α7
And harmony
Waltz to our 3/4
