Prinz Willy Clare Bowditch

And I have had enough

VERSE TWO (same as verse one)

```
This was my first tab. Probably isn t the most accurate chords to use but it
with the song so this is just my variation. It s easy and sounds pretty decent.
Unsure of
the Em chord though, couldn t work that one out so just put that there.
Enjoy, Shimii. xoxox

Why do you lie, why do you lie
You ve got the world at your command
Buy sell buy, buy sell buy
