

**Bullet**

**Clare Maguire**

The chords here are very simple. All the way through it s just F C Dm Bb. I recommend you play along with the song for the timing of the chords. Enjoy!

Verse 1

**F**  
I was told that loneliness was like  
**C** **Dm**  
Spaces between the stars  
**Bb**  
Well itâ€™s empty between these  
**F**  
Starry eyes  
**C** **Dm**  
I was told a dead man was heavier than a broken heart  
**Bb**  
Am I dead now?  
**F**  
My heart sure feels heavy  
**C**  
And I try not to feel it  
**Dm**  
Yeah I try not to feel it  
**Bb**  
So hard to believe it

Verse 2

I was told that time tiptoes by  
Well I can hear his footsteps  
Running past me  
I was told I had a face  
With nothing to fear  
Thatâ€™s not the first thing  
To scare me

Pre-Chorus

And I try not to feel it  
Oh I try not to feel it  
Itâ€™s so hard to believe it  
But at the end of it all itâ€™s true

Chorus

You shot this bullet  
Through my bones  
You shot this bullet  
Through my bones

You shot me down  
Down down I go  
You shot me down  
Down down I go

Verse 3

I get up take the phone from my hands  
The glass from my lips  
The pictures from my fingertips  
I stand up I walk round and round  
And I don't hear no sound  
Only the words that you spoke to me

Pre-Chorus

And I try not to feel it  
Oh I try not to feel it  
It's so hard to believe it  
But at the end of it all it's true

Chorus

You shot this bullet  
Through my bones  
You shot this bullet  
Through my bones

You shot me down  
Down down I go  
You shot me down  
Down down I go

Outro

You shot me down  
Down down I go  
You shot me down  
Down down I go
