You were the sunshine, baby,  
**Fm7**              **Cmaj7**  
Whenever you smiled,  
**Fm7**              **Cmaj7** **F**  
But I call you Stormy today.

**Fm7**              **Cmaj7**  
All of a sudden that ole  
**Fm7**              **Cmaj7**  
Rain falling down,  
**Fm7**              **Cmaj7**              **F**  
And my world is cloudy and gray.  
                  **Em7** **E7**  
You ve gone away.

**Am9**      **Dmaj7**

**Fm7**              **Cmaj7**  
Yesterday s love was like  
**Fm7**              **Cmaj7**  
A warm summer breeze,  
**Fm7**              **Cmaj7**              **F**  
But like the weather, you change.

**Fm7**              **Cmaj7**  
Now things are dreary, baby,  
**Fm7**              **Cmaj7**  
and it s Windy and cold,  
**Fm7**              **Cmaj7**              **F**  
And I stand alone in the rain,  
                  **Em7** **E7**  
Calling your name.
