Time Stood Still Claude Kelly
Time stood still - Claude Kelly
Tabbed by: jpraguiar Email: jpraguiar@inbox.com
Tuning: Standard EADGBe
Bm G A I remember where I was I remember what I had on (woah) Bm G A D and I still recall what I find when I got the phone call (woah) Bm G A I assumed it was you telling me you were running late D
like you always are baby Bm
Chorus:
there was a moment when time stood still BM G A totally frozen everything broken and it kills D A BM and I think that it always will G A be the moment when time stood still BM G A totally speechless hard to believe that its real D A BM yeah time stood still
G A D I remember part of me saying that I wanna see you (woah)
I remember part of me saying that I wanna see you (woah) Bm G A D of the part kinda bitter saying I dont really need you (boah)
