Oh oh, oh oh eu quero muito mais

(Travie McCoy)

I ll be playing basketball with the President
Dunking on his delegates
Then I ll compliment him on his political etiquette
Toss a couple milli in the air just for the heck of it
But keep the fives, twentys (?) completely separate
And yeah I ll be in a whole new tax bracket
We in recession but let me take a crack at it
I ll probably take whatever's left and just split it up
So everybody that I love can have a couple bucks
And not a single tummy around me would know what hungry was
Eating good sleeping soundly
I know we all have a similar dream
Go in your pocket pull out your wallet
And put it in the air and sing
