C
Baby when you hold me
D

Do you feel it?

Should I believe the magic in your eyes

I would wait until the end of time,

To hear you say you love me

Like you mean it

Baby when you hold me

Make me feel it

All I wanna do is make you mine

I've been hurt way too many times

G D C D

They say, if you wanna make God laugh

Then all you gotta to do is tell him your plans

I know that the timing's not right

Didn't know that I would meet you tonight

It's not that I don't really like the attention

I feel like the only man in the room

Are you really sincere?

Is this just somethin' that you do?

And when you say you love me

Do you mean it?

Baby when you hold me

Do you feel it?

Should I believe the magic in your eyes

I would wait until the end of time,

To hear you say you love me

Like you mean it

Baby when you hold me

Make me feel it

All I wanna do is make you mine

I ve been hurt way too many times

Again and again and again

I ve been hurt my friend til the end

You know I ve been high, I ve been low

I got no place left to go

Again and again and again

When will this search ever end?

And when you say you love me

Do you mean it?

Baby when you hold me

Do you feel it?

Should I believe the magic in your eyes

I would wait until the end of time,

To hear you say you love me

Like you mean it
