Clay Davidson

Drop D

They don t ask, cause they know I ll say
It ain t nothin, just another woman done walked away
Still on track, no I ain t fazed
Cadd9 G/B Bb6 Asus A
I rock on all night long, just playin this masquerade

(chorus)

I got everybody thinkin, I m Superman strong
But that big ole S ain t on my chest
At night when I get home
One look at my reflection, an O is all I see
I can tell em all I m glad your gone
But the truth is ... I can t lie to me

Called you up, toget shot down
Throw my pride aside and I just cry out loud
Call my bluff, not just at me
Cadd9 G/B Bb6 Asus A
A fool in love, and all tore up, down here on by knees
