**Bm A D**  
Well hey there baby where d you get that smile  
**Bm A D**  
Make a country boy walk a country mile  
**Bm A D**  
Sweet like a peach from a Georgia farm  
**G A**  
Got a honeysuckle kiss that ll break a boy s heart  
**Bm A D**  
I got a Chevrolet out in the parking lot  
**Bm A D**  
with an empty seat and I know a spot,  
**Bm A D**  
it s a pretty good haul down an old dirt road,  
**G A**  
I got a tank of gas and a radio.

**Bm A D**  
Come on baby be my shotgun rider  
**Bm A D**  
cruise through the country maybe pull an all nighter  
**Bm A D**  
every little Bonnie needs a Clyde beside her  
**G A Bm A D**  
Come on baby, be my shotgun rider

**Bm A D**  
**Bm A D**  
Put your pretty tan toes up on my dash  
**Bm A D**  
lay your head on my shoulder baby kick on back  
**Bm A D**  
we can put a hundred miles on this old truck  
**G A**  
or pull on over, fog the windows up.

**Bm A D**  
Come on baby be my shotgun rider

**Bm**                    **A**                    **D**  
cruise through the country maybe pull an all nighter  
**Bm**                    **A**                    **D**  
every little Bonnie needs a Clyde beside her  
**G**                    **A**                    **Bm**    **A**    **D**

**Bm**    **A**                    **D**  
Now baby don t say no  
          **Bm**                    **A**        **D**  
you know you wanna go  
                  **Bm**    **A**        **D**  
there s a good time waiting on you  
**Bm**    **A**        **D**  
down that road

**Bm**                    **A**                    **D**  
I sure like to see your hair in the wind  
          **Bm**                    **A**                    **D**  
the moonlight dancing on your skin  
**Bm**                    **A**                    **D**  
wake up in the morning head towards the sun  
          **G**                                    **A**  
like a couple outlaws out on the run.

**Bm**                    **A**                    **D**  
Come on baby be my shotgun rider  
**Bm**                    **A**                    **D**  
cruise through the country maybe pull an all nighter  
**Bm**                    **A**                    **D**  
every little Bonnie needs a Clyde beside her  
**G**                    **A**  
Come on baby, be my shotgun

**Bm**                    **A**                    **D**  
Come on baby be my shotgun rider  
**Bm**                    **A**                    **D**
