**Cledus T Judd**

Cledus T. Judd: Rewrites, sings, and records parodies of other Country music artists.

IF Shania Was Mine

**A**  
If Shania was mine wouldn't be proud of me  
**E**  
**A**  
Couldn't hardly blame her cause I'm so durned ugly  
  
But on our first date we could have a good time  
**E** **A**  
If I got her on the Moonshine  
**A**  
If Shania was mine say it fit just right  
**E** **A**  
Though my polyester suit was just a little too tight  
  
And there's no way I'd have bad hair day  
**E** **A**  
Cause I'd buy a new tupi  
**D** **A**  
Though I'd love to seduce her  
**D**  
But she married her producer  
**E**  
And all I do is pray

Pray, Pray, she'll get a divorce someday

Chorus:

**D** **A**  
If Shania was mine I think I'd lose my mind  
**E**  
**A**  
If she only teased me, squeezed me, pleased me one good time  
**D** **E**  
And if she only knew, all the things I'd do  
**G**  
I'd be the lawn mowin' crop growin', tatter peeling  
**D** **E**  
House cleaning kind  
**A**  
If Shania was mine

**A**  
Well if Shania was mine she d have to better agree

**E**  
Can t no one cook road kill better than me

And a dozen mountain oysters and some ole fat back

**E**  
She d say, mmm, I like it like that

**D**  
And all I do is wonder who s better boots are bent under

**E**  
And know all I do is wine

Now Wine, wine that girl so dog gone fine

(Repeat Chorus)

**A**  
If Shania, If Shania, If Shania, If Shania

**E**  
If Shania was mine

**A**
