Forever Now And Then Clem Snide

This sounds like the chords but it s mostly played up the neck. The G is 7th (d shape) the bm 7th fret as well as the C to E7 sound better at the 8th fret and 7th fret respectively the Am7-D7-G sound fine in the first position.

G Bm G Bm I dreamt of an ocean blue, under water me and you С E7 Am7 D7 G Am7 D7 G Lets not swim to shore, just float forever more G Bm G Bm We could have time to sun, where no one will upset our fun E7 Am7 D7 G Am7 D7 G С Lets take off our shoes and dance away the blues

(instrumental with same chords)

G Bm Was your sweet kiss just a dream G Bm So real the taste of tangerine С E7 You are my best friend Am7 D7 G Forever Now and then Am7 D7 G Forever now and then Am7 D7 G Forever now and then
