Capo on 2

There is a pattern of plucking the first note of the chord then strumming the rest as you rotate between C, G, F, C

[Verse 1]

C **G** **F** **C**
I was searching for something I could not describe
C **G** **F** **C**
So I stared at the sun till the tears filled my eyes
F **C** **Em7** **C**
Well I thought I was empty so I paid the cost

[Chorus]

C **G** **F** **C**
But now that Iâ€™m found I miss being lost

[Verse 2]

C **G** **F** **C**
I opened my heart and I let Jesus in
C **G** **F** **C**
With the promise that I would be free of my sins
C **Em7** **F** **C**
But I only felt guilty that he died on the cross

[Chorus]

C **G** **F** **C**
Now that Iâ€™m found I miss being lost
C **G** **F** **C**
Now that Iâ€™m found I miss being lost
