If you really want to watch it I guess that d be alright with me

Well I heard he used to beat her like she was a conga drum

Am

They always slept in separate beds but somehow they had a son

G

And the neighbors were vaudevillians the laughs came from a can

Even though the club was hoppin it was the pills that she was poppin

G

That did her in

La, La, La, La, La, La, La Etc with same chords

G

Or maybe it was different you know my facts aren t always straight

Am

But they would never make a movie if everything was great

G

Because happiness is boring it s always black and white
