

Devil Woman

Cliff Richard

Eb **B**
I ve had nothing but bad luck
F# **Bb**
Since the day I saw the cat at my door
Eb **B**
So I came here to you, sweet lady
F# **Bb**
Answering your mystical call
Eb **B**
Crystal ball on the table
F# **Bb**
Showing the future, the past
Eb **B**
Same cat with them evil eyes
F# **Bb** **Bb7**
And I knew it was a spell she d cast.

Chorus

Eb **B**
She s just a devil woman
Bb **Eb**
With evil on her mind
Eb **B**
Beware the devil woman
Bb **Eb**
She s gonna get you from behind.
Eb **B**
She s just a devil woman
Bb **Eb**
With evil on her mind
Eb **B**
Beware the devil woman
Bb **Eb**
She s gonna get you from behind.

Give me the ring on your finger
Let me see the lines of your hand
I can see me a tall dark stranger
Giving you what you hadn t planned
I drank the potion she offered me
I found myself on the floor
Then I looked in those big green eyes
And I wondered what I came there for.

(Repeat Chorus)

Stay awake

Look out
If you re out on a moonlit night
Be careful of the neighbourhood strays
Of a lady with long black hair
Tryin to win you with her feminine ways
Crystal ball on the table
Showing the future, the past
Same cat with them evil eyes
You d better get out of there fast
She s just a devil woman
With evil on her mind
Beware the devil woman
She s gonna get you.
