

Devil Woman

Cliff Richard

C# **A**
I ve had nothing but bad luck
E **G#**
Since the day I saw the cat at my door
C# **A**
So I came here to you, sweet lady
E **G#**
Answering your mystical call
C# **A**
Crystal ball on the table
E **G#**
Showing the future, the past
C# **A**
Same cat with them evil eyes
E **G#** **G#7**
And I knew it was a spell she d cast.

Chorus

C# **A**
She s just a devil woman
G# **C#**
With evil on her mind
C# **A**
Beware the devil woman
G# **C#**
She s gonna get you from behind.
C# **A**
She s just a devil woman
G# **C#**
With evil on her mind
C# **A**
Beware the devil woman
G# **C#**
She s gonna get you from behind.

Give me the ring on your finger
Let me see the lines of your hand
I can see me a tall dark stranger
Giving you what you hadn t planned
I drank the potion she offered me
I found myself on the floor
Then I looked in those big green eyes
And I wondered what I came there for.

(Repeat Chorus)

Stay awake

Look out
If you re out on a moonlit night
Be careful of the neighbourhood strays
Of a lady with long black hair
Tryin to win you with her feminine ways
Crystal ball on the table
Showing the future, the past
Same cat with them evil eyes
You d better get out of there fast
She s just a devil woman
With evil on her mind
Beware the devil woman
She s gonna get you.
