```
F#          B   C#   F#        B   C#
Aum aum, aum aum, aum aum, aum aum,

F#                               B    F#    B   C#
If you should tell me that I ll always be
F#                           B
The one you ll always love so true
B   F#  G#m         C#                F#      Ebm
   Then I can tell you oh so easily
        G#m    C#                  F#    B   C#
I could easily fall in love with you

F#                         B     F#    B   C#
It wasn t long ago that I saw you there,
F#                         B
But even then I thought I knew
B   F#  G#m       C#                  F#      Ebm
  Now given half a chance I d easily
        G#m    C#                  F#
I could easily fall in love with you

(refrão)
C#              G#          C#
I ve been too long on my ownsome now,
                   G#        C#      C#7
Well I ve been too long by myself
F#                C#         F#
Well I couldn t feel more lonesome now
    Ebm   B         C#      C#7
If I was left on the sh      elf

F#                                  B     F#    B   C#
Don t ever change that smile you re smiling now
F#                           B
  And please don t let me see you blue,

B   F#  G#m         C#                  F#      Ebm
  And given half a chance I d easily,
        G#m    C#                  F#
I could easily fall in love with you
