It s such a shame that it s ended this way

If I stopped to think about the good times that we shared
I could fool myself believing
That somehow love, love was still there
Ooh (love, love, love, love had ended)
(love, love, love, love had ended)
I was feeling that love had ended cant t be mended
But I can t bear to see you cry
                              Ε
The feeling s gone it s been missing too long
But I just don t have the heart
I just don t have the heart to tell you
                             Ε
It s such a shame that it s ended this way
But I just don t have the heart
I just don t have the heart to tell you
