1. First you cuddle up beside me, nice and near,  
C                    Am                    F                    G    F    G  
then you whisper all the things I long to hear.  
C                    Am                    F                                    G  
That s the first lesson in love, mmmm, give me your heart !

C                    Am                    F                    G    F    G  
2. Then you put your two sweet lips on mine like this,  
C                    Am                    F                    G    F    G  
and you ll learn the magic of a tender kiss.  
C                    Am                    F            G    C  
That s the next lesson in love, mmmmm, lessons in love.

F                                    C  
It s so easy, when you know how,  
F            C                                    G  
oh, my darling, let me show you now !

C                    Am                    F    G    F    G  
3. Then you whisper : I love you ! so sweetly,  
C                    Am                    F    G    F    G  
and I ll know you ve learned it all completely.  
C                    Am                    F    G                    C  
That s the last lesson in love, mmmmm, give me your heart.
