

The Minute You're Gone
Cliff Richard

G **C**
The minute you re gone I cry,
D **G** **E**
The minute you re gone I die.
E **Am**
Before you walk out of sight,
A **D**
I m like a child all alone at night.
G **C**
I stare into emptiness,
D **G** **E**
I m filled with such loneliness.
E **Am**
The world goes from right to wrong,
D **G** **C** **G**
The minute you re g...one.

(refrão)

G **D**
The minute you re gone I d see,
G
How lonely a man I ll be.
Em
My life would be, oh, so blue,
A **D**
If I couldn t be with you.

(parte 2)

G **C**
The Minute you re gone I pray,
D **C** **E**
The minute you re gone I say,
E **Am**
Please don t stay away too long,

The minute you re gone.
