

The Minute You're Gone
Cliff Richard

A **D**
The minute you re gone I cry,
E **A** **F#**
The minute you re gone I die.
F# **Bm**
Before you walk out of sight,
B **E**
I m like a child all alone at night.
A **D**
I stare into emptiness,
E **A** **F#**
I m filled with such loneliness.
F# **Bm**
The world goes from right to wrong,
E **A** **D** **A**
The minute you re g...one.

(refrão)

A **E**
The minute you re gone I d see,
A
How lonely a man I ll be.
F#m
My life would be, oh, so blue,
B **E**
If I couldn t be with you.

(parte 2)

A **D**
The Minute you re gone I pray,

The minute you re gone.
