

The Young Ones
Cliff Richard

(intro) **G** **Em** **Am** **D7**

G
The young ones
Em
darling we re the young ones
G
and the young ones
Em
shouldn t be afraid
G **D7**
to live love
G **C**
while the flame is strong
G **D7**
cause we may not be the young ones,
G
very long.

G
Tomorrow
Em
Why wait until tomorrow
G
cause tomorrow
Em
sometimes never comes
G **D7**
so love me
G **C**
There s a song to be sung
G **D7**
and the best time to sing it
G **G7**
is while we re young.

(refrão)
C **C ***
Once in every life time
G **G ***
Comes a love like this
A7
Oh, I need you, you need me
D **D7**
Oh my darling can you see

G

The young dreams

Em

should be dreamed together

G

And young hearts

Em

shouldn't be afraid

G

D7

And some day

G

C

when the years have flown

G

D7

Darling then we'll teach the young ones

G

G7

of our own.

(interlude)

(refrão)

(* = single note riff)
