```
The Young Ones
Cliff Richard
```

(intro) G Em Am D7 G The young ones Em darling we re the young ones and the young ones shouldn t be afraid G D7 to live love while the flame is strong G cause we may not be the young ones, very long. G Tomorrow Why wait until tomorrow G cause tomorrow Em sometimes never comes G D7 so love me There s a song to be sung and the best time to sing it G G7 is while we re young. (refrão) Once in every life time Comes a love like this Oh, I need you, you need me Oh my darling can you see

G

```
The young dreams
                  Em
should be dreamed together
And young hearts
            Em
shouldn t be afraid
           D7
And some day
when the years have flown
            G
Darling then we ll teach the young ones
      G G7
of our own.
(interlude)
(refrão)
(* = single note riff)
