

**The Young Ones**  
**Cliff Richard**

(intro) **F** **Dm** **Gm** **C7**

**F**  
The young ones  
**Dm**  
darling we re the young ones  
**F**  
and the young ones  
**Dm**  
shouldn t be afraid  
**F** **C7**  
to live love  
**F** **Bb**  
while the flame is strong  
**F** **C7**  
cause we may not be the young ones,  
**F**  
very long.

**F**  
Tomorrow  
**Dm**  
Why wait until tomorrow  
**F**  
cause tomorrow  
**Dm**  
sometimes never comes  
**F** **C7**  
so love me  
**F** **Bb**  
There s a song to be sung  
**F** **C7**  
and the best time to sing it  
**F** **F7**  
is while we re young.

(refrão)  
**Bb** **Bb \***  
Once in every life time  
**F** **F \***  
Comes a love like this  
**G7**  
Oh, I need you, you need me  
**C** **C7**  
Oh my darling can you see

**F**

The young dreams

**Dm**

should be dreamed together

**F**

And young hearts

**Dm**

shouldn't be afraid

**F**

**C7**

And some day

**F**

**Bb**

when the years have flown

**F**

**C7**

Darling then we'll teach the young ones

**F**

**F7**

of our own.

(interlude)

(refrão)

(\* = single note riff)
