

The Young Ones
Cliff Richard

(intro) **F#** **Ebm** **G#m** **C#7**

F#
The young ones
Ebm
darling we re the young ones
F#
and the young ones
Ebm
shouldn t be afraid
F# **C#7**
to live love
F# **B**
while the flame is strong
F# **C#7**
cause we may not be the young ones,
F#
very long.

F#
Tomorrow
Ebm
Why wait until tomorrow
F#
cause tomorrow
Ebm
sometimes never comes
F# **C#7**
so love me
F# **B**
There s a song to be sung
F# **C#7**
and the best time to sing it
F# **F#7**
is while we re young.

(refrão)

B **B ***
Once in every life time
F# **F# ***
Comes a love like this
G#7
Oh, I need you, you need me
C# **C#7**
Oh my darling can you see

F#

The young dreams

Ebm

should be dreamed together

F#

And young hearts

Ebm

shouldn't be afraid

F#

C#7

And some day

F#

B

when the years have flown

F#

C#7

Darling then we'll teach the young ones

F#

F#7

of our own.

(interlude)

(refrão)

(* = single note riff)
