

**The Young Ones**  
**Cliff Richard**

(intro) **A** **F#m** **Bm** **E7**

**A**  
The young ones  
**F#m**  
darling we re the young ones  
**A**  
and the young ones  
**F#m**  
shouldn t be afraid  
**A** **E7**  
to live love  
**A** **D**  
while the flame is strong  
**A** **E7**  
cause we may not be the young ones,  
**A**  
very long.

**A**  
Tomorrow  
**F#m**  
Why wait until tomorrow  
**A**  
cause tomorrow  
**F#m**  
sometimes never comes  
**A** **E7**  
so love me  
**A** **D**  
There s a song to be sung  
**A** **E7**  
and the best time to sing it  
**A** **A7**  
is while we re young.

(refrão)  
**D** **D \***  
Once in every life time  
**A** **A \***  
Comes a love like this  
**B7**  
Oh, I need you, you need me  
**E** **E7**  
Oh my darling can you see

**A**

The young dreams

**F#m**

should be dreamed together

**A**

And young hearts

**F#m**

shouldn't be afraid

**A**

**E7**

And some day

**A**

**D**

when the years have flown

**A**

**E7**

Darling then we'll teach the young ones

**A**

**A7**

of our own.

(interlude)

(refrão)

(\* = single note riff)
