

**This Day**

**Cliff Richard**

(intro) **Eb E**

**G# Cm C# G#**

This day could have been such an ordinary day

**Cm C# F#**

Could have gone in an uneventful way

**G#m C#7 F# E Eb**

Then you came into my world and in my world you ll stay

(same chord, 2nd verse)

You girl could have been such an ordinary girl

Could have been just an undiscovered pearl

The love came with its magic & made you my world

(refrão)

**G# Cm C# F#**

I know I ll always treasure that first moment the pleasure when we met

**B G#m E Eb - G#**

If I will live forever there s one thing I will never quite forget

Your kiss could have been just an ordinary kiss

Could have been something I would never miss

But that could never be so

Not when I feel like these

(instrumental break)

(repeat first verse)
