```
Verse 1
[tab]A
I ve seen it goin    round when you get bad news[/tab]
```

```

Thinkin  that you found a darker shade of blue
[tab]G                                D
Lookin  for the light and it s a long way back[/tab]
[tab]                                C          A
You know without a fight you re gonna fade to black[/tab]
[tab]A
Never was a man that ever felt this way[/tab]

```

one who couldn't stand to live another day
[tab]**G** **D**
hard times seem to have the corner on you[/tab]
[tab] **C** **A**

but you can rise from the ashes too[/tab]

Chorus

[tab] D C G A

When I m on my knees and everything has gotten me beat[/tab]

[tab] D C G A

and even I believe I m never gonna find my feet[/tab]

[tab] D A

Two ways you can go you can ask anybody around[/tab]

[tab] G E A

one mans half way up is another mans half way down[/tab]

Verse 2

```
[tab]A
Now you may decide it s a losin game[/tab]

even in your stride you re gonna call it lame
[tab]G                                D
Gettin one leg up when it s said and done[/tab]
[tab]                                C          A
is the hardest part no matter how you run[/tab]
[tab]A
If you can walk away from a crash and burn[/tab]
```

you ll appreciate every step you earn
[tab]**G** **D**
and if you feel the ground is gainin on you[/tab]
[tab] **C** **A**
you re already bound to take a different view[/tab]

Repeat Chorus

Bridge

```
[tab]D                A
One mans ceiling is another mans floor[/tab]
[tab]D                A
One mans wall could be another mans door[/tab]
[tab]C                D
One mans smile is another mans frown[/tab]
[tab]                F                E                A
and there are miles of half way up and half way down[/tab]
```
