

Killin Time
Clint Black

[Verse]

A **D**
You were the first thing that I thought of
G
when I thought I drank you off my mind.
D
When I get lost in the liquor
A
you re the only one I find.
D
If I did the things I oughta
G
you still would not be mine
D
So I keep a tight grip on the bottle
A **D**
gettin loose and killing time.

[Chorus]

D **G** **D**
This killin time. is killin me.
A **D**
Drinkin myself blind thinkin I won t see
G **D**
that if I cross that line and they bur-y me
C **G** **D**
well, I just might find I ll be killin time for eternity.

[Verse]

D
I don t know nothin bout tommorow,
G
I ve been lost in yesterday.
D
I spent all my life just dying for
A
a love that passed away.
D
There s an end to all my sorrow
G
this is the only price I ll pay.
D
I ll be a happy man when I go,
A **D**
and I canâ€™t wait another day.

[Chorus]

D **G** **D**
This killin time. is killin me.

A **D**
Drinkin myself blind thinkin I won t see

G **D**
that if I cross that line and they bur-y me

C **G** **D**
well, I just might find I ll be killin time for eternity.

[Outro]

C **G** **D**
Yes, I just might find I ll be killin time for eternity.
