Killin Time

[Chorus]

Clint Black [Verse] You were the first thing that I thought of when I thought I drank you off my mind. When I get lost in the liquor you re the only one I find. If I did the things I oughta you still would not be mine So I keep a tight grip on the bottle gettin loose and killing time. [Chorus] This killin time. is killin me. Drinkin myself blind thinkin I won t see that if I cross that line and they bur-y me well, I just might find I ll be killin time for eternity. [Verse] I don t know nothin bout tommorow, I ve been lost in yesterday. I spent all my life just dying for a love that passed away. There s an end to all my sorrow this is the only price I ll pay. I ll be a happy man when I go, and I canâ \in ^mt wait another day.
