

Killin Time
Clint Black

[Verse]

B **E**
You were the first thing that I thought of
A
when I thought I drank you off my mind.
E
When I get lost in the liquor
B
you re the only one I find.
E
If I did the things I oughta
A
you still would not be mine
E
So I keep a tight grip on the bottle
B **E**
gettin loose and killing time.

[Chorus]

E **A** **E**
This killin time. is killin me.
B **E**
Drinkin myself blind thinkin I won t see
A **E**
that if I cross that line and they bur-y me
D **A** **E**
well, I just might find I ll be killin time for eternity.

[Verse]

E
I don t know nothin bout tommorow,
A
I ve been lost in yesterday.
E
I spent all my life just dying for
B
a love that passed away.
E
There s an end to all my sorrow
A
this is the only price I ll pay.
E
I ll be a happy man when I go,
B **E**
and I canâ€™t wait another day.

[Chorus]
